

DIPLOMA IN SECURITY AND SAFETY MANAGEMENT (MQA/PA 3010)

INTRODUCTION

Realising the need for better security and safety management in Malaysia, IBS has created a school that caters to the education and the training of security and safety professionals.

Together with our industry partner and various other corporate organisations, IBS has crafted security and safety management programmes that enable students to understand, appreciate and apply the knowledge and skills in the intricacies of modern security and safety management.

COURSE HIGHLIGHTS

This course is delivered by security experts who have extensive experience in security and hold the highest academic, vocational, and professional qualifications in the subject.

From identifying issues and understanding ideas about the risks, causes and prevention of crime, through to designing and implementing loss prevention and security initiatives that really work, this is the ultimate security managers course.

WHO WILL BENEFIT

The course will be of immediate benefit to those working as security managers or those seeking to make a career in security management

RECOGNITION AND ACCREDITATION

IBS's courses are fully approved and registered by The **Ministry of Education, Malaysia** and provisional accredited by **Malaysian Qualifications Agency (MQA)** and the **Jabatan Perkhidmatan Awam (JPA)**.
