Name	Law Gui Ling
Program	BA (Hons) Accounting and Finance (In collaborations with UCSI)
Date of Submission	April 2020
Student Thesis Code	2020/ARP/UCSI/BAAF/06

### **ABSTRACT**

The purpose of this study is to analyze the IBS College students in Miri and their intention towards the use of e-payment. It is based on the frequency of utilization, factors affecting perceived security and trust, level of satisfaction and the relationship between self-efficacy towards the usage of e-payment. The research is using quantitative method such as questionnaire and gathers information from 50 respondents who have experience in using e-payment. Researcher focuses on students for around 18 to 25 years old. The data are collected and analyze using simple statistical analysis in Microsoft Excel.
